

KMI Theory Seminar

Title :

Unification of inflation and quintessence

Speaker :

*Professor Mohammad Sami
(Jamia Millia Islamia, New Delhi)*

Date/Time :

March 7, 2018 (Wed.) 5:00 PM

Abstract :

In this talk focus will be on the model independent aspects of the paradigm of quintessential inflation. The model building blocks required to unify late time acceleration with inflation will be presented. The alternative reheating mechanism will also be described in brief. We shall also present a successful model of Unification
